

Nubby & Co. Overnight Information Form

For overnight stays in the client's own home, we require the following information before you schedule the service. This will allow us to provide detailed instructions to the sitter on the care of your pets and the use of your house while you are away.

1. Where would you like the sitter to sleep?

2. Where would you like the pet to sleep/remain overnight?

3. Are there any rooms that are off limits to the pets?

4. Please verify feeding instructions, including location of food in the home.

5. It is important to ensure you provide enough food for the days you will be away, but in the case the food was to run out, please tell us the brand of food and where it can be purchased (Client is responsible for reimbursing Nubby & Co. for this).

6. Verify medications and instructions (if applicable).

7. Please provide an emergency contact (name and number) that the sitter can reach out to if necessary. Does this person have a key to your home?

8. Will anyone else have access to your home while you are away? If so, please provide their names and numbers.

9. Please provide house alarm information and instructions (if applicable):

10. Where can the sitter park their car?

11. Is the sitter authorized to use appliances/facilities (TV, dishwasher, washer/dryer, microwave, stove, shower, etc.)?

12. In case of an emergency, where is the breaker/fuse box located?

13. Is there any additional information you think we should know?
